

Who: All United Methodists across the world.

What: A 10 minute time of prayer for our Bishops as they consider a way forward.

When: April 29th at Noon

Where: Anywhere!

Why: Young People across the connection care about the future of our church, but more importantly believe in the power of God and affect that prayer has. Therefor we are calling young people to join together in this time of prayer and standing in solidarity with our Bishops.

This might seem like a challenging task but all it takes is 10 minutes.

- Pray after church
- Pray with your youth group as you share in a meal together
- Pray in silence
- Pray for your Bishop, for Bishops in your jurisdiction/central conference, for bishops around the world
- Pray one by one
- Pray all with one voice
- Pray during the church service and invite the rest of the congregation to join in
- Pray at your college ministry
- Pray at your conference office
- Pray before you engage in a time of fellowship or after a time of fellowship
- Pray after reading scripture

Whatever way you decide to pray - your prayers are appreciated as we hold each other and our denomination up in the upcoming weeks.
